### **Osoyoos Credit Union, Revelstoke Credit Union, and Summerland Credit Union Head to Member Vote for Proposed Merger**

*(Revelstoke, Summerland, and Osoyoos)* – Members of Osoyoos Credit Union, Revelstoke Credit Union, and Summerland Credit Union will head to the polls to vote on the proposed merger of the three credit unions, after receiving consent from the BC Financial Services Authority (BCFSA).

The three credit unions announced their intent to merge in June, 2024. Since then, they've been working closely together, laying a strong foundation and thoughtfully planning for a successful future. With regulator consent now in place, they are ready to bring the proposed merger forward for member approval.

"We believe that merging will strengthen our ability to serve and support our members at every stage of life," says Alan Chell, Board Chair of Revelstoke Credit Union. "By bringing our combined resources and expertise to the table, we're confident that we can meet the challenges of today and seize the opportunities of tomorrow."

Summerland Credit Union Board Chair Lorrie Forde echoes this sentiment, stating, "Our focus has always been on people. By coming together, we're building a stronger foundation—one that empowers our members, strengthens our communities, and sets us up for long-term success."

Members of the three credit unions are invited to vote during the voting period of May 26 to June 2. Members can learn more online at [www.yourfuturecu.ca](http://www.yourfuturecu.ca), or by attending a virtual or in-person member information session. The three credit unions are also holding in-branch open houses.

"Our members are at the heart of everything we do, and the decision to merge is no different," says Diana Thomas, Board Chair at Osoyoos Credit Union. "We're seeking our members' support and ask that they vote in favour of the proposed merger between Osoyoos Credit Union, Revelstoke Credit Union, and Summerland Credit Union."

For over 70 years, OCU, RCU, and SCU have been at the heart of our communities, offering not just financial services but a commitment to the well-being of our members. By coming together, we are strengthening this legacy and building a united credit union that will continue to prioritize you—our members—and the communities we serve.
